

Love In Action Beyond The Generations

A Message of Thanks

On Friday, October 29th, AWCA held its 41st Gala as a joint celebration of our 40th and 41st years of service to our under-resourced and underserved Asian American communities.

As part of our ongoing efforts to raise awareness of our services, the AWCA Annual Dinner and Dance is a time of celebration for our programs and accomplishments, as well as a time to acknowledge and thank our donors, partners, volunteers, and members who make our mission possible and worthwhile.

We would like to express our deepest gratitude to all who joined and supported us. Your Gala support helped AWCA unlock record-breaking funding, making this year's event the most successful fundraising in our entire history thus far despite these challenging times.

Funds raised will be used to support AWCA's programs and our continued efforts to serve for the future through love in action with women's leadership. With your invaluable support, AWCA will be able to proceed with confidence as we continue to improve and advance our education, social, and homecare services.

Thank you again for helping make all the difference to our cause by allowing us to provide critical support to those in need and give back to the community through the grace of God.
